

## **Compliance action taken for childcare provision**

Ref: 2616673/5181696

Date: 5 August 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 June 2022, the provider notified us of allegations against a staff member. The provider had not completed the notification within the required legal timescale.

On 13 June 2022, we received concerns that the provider was not meeting some of the requirements.

On 12 and 26 July 2022, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider sent staff on training to ensure that they manage children's behaviour in an appropriate way.

We have issued action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 30 September 2022:

- ensure staff and directors understand safeguarding procedures to enable concerns to be reported to appropriate agencies without delay and recordings maintained to provide a clear audit.

We received an appropriate response to the action from the provider.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
