

## **Compliance action taken for childcare provision**

Ref: EY443333/5219696

Date: 6 September 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 July 2022, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be inadequate. Following the inspection, we served a welfare requirements notice on 5 August 2022. This is a legal notice that requires the provider to take the actions below within the timescales set out. The inspection report sets out the actions the provider was required to take to meet the requirements.

On 19 August 2022, the provider resigned their registration with Ofsted. They are no longer a registered childcare provider.
