

## **Compliance action taken for childcare provision**

Ref: EY536086/5221067

Date: 30 August 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 July 2022, we received concerns that the provider was not meeting some of these requirements. On 26 August 2022, we carried out a regulatory visit. We found the provider was not meeting one of the requirements. The provider had not informed Ofsted of some significant information which may have affected their suitability. The provider will be able to give parents further information about this.

Action needed:

improve knowledge and understanding of changes that must be notified to Ofsted.  
13/09/2022

On 6 September 2022, the provider responded to the action set. We found that the provider had taken steps to improve their knowledge and understanding of any changes that must be notified to Ofsted. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
