

Compliance action taken for childcare provision

Ref: EY269706/5236757

Date: 20 September 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2 If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 September 2022, we carried out a regulatory visit to the nursery. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 3 October 2022:-

ensure the premises are fit for purpose, with specific regard to the overall cleanliness of the premises and equipment used by the children

ensure all children are provided with a high-quality setting that is safe and stimulating where children are able to enjoy consistent meaningful learning and grow in confidence

ensure at least half of all staff working with children under two years have received training that specifically addresses the care of babies

implement effective risk assessment procedures to ensure children are not exposed to risks of harm

ensure all staff understand and can implement policies and procedures to safeguard children, this includes knowing how to respond to a concern in a timely and appropriate way.

We will monitor the provider's response to ensure the actions are successfully completed.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
