

Compliance action taken for childcare provision

Ref: EY550079/5211654

Date: 14 September 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 July 2022, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be inadequate. The inspection report sets out the actions the provider was required to take to meet the requirements.

On 13 September 2022, we carried out a regulatory visit to check whether the provider had met the safeguarding and welfare actions and learning and development actions, raised at their last inspection. The provider resigned their registration before completion of the visit.

The provider is no longer registered with Ofsted.
