

Complaint about childcare provision

Ref: 322416/5219917

Date: 12 September 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29th July 2022, we received concerns that the provider was not meeting some of these requirements.

On 12th September 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has completed a thorough investigation into the incident. The provider has improved how children are supervised when playing outdoors. In addition, amendments have been made to existing policies and procedures to ensure that this does not happen again. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
