

## **Complaint about childcare provision**

Ref: EY558049/5238952

Date: 4 October 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 and 24 August 2022, we received concerns that the provider was not meeting some of these requirements.

On 22 September 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had reviewed how staff deploy themselves and supervise children. They have monitored how staff record accidents and share this information with parents so that details are accurately communicated. The provider has also ensured that staff have undergone additional professional development training around these areas.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
