

Compliance action taken for childcare provision

Ref: EY458284/5161338

Date: 12 October 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 May 2022, we received concerns that the provider was not meeting some of these requirements.

On 12 October 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

Actions needed by 26 October 2022:

- improve knowledge and understanding of when to make notifications to Ofsted and other agencies
- ensure effective systems are in place to ensure that any person who may have regular contact with children including those living or working on the premises are suitable

The provider will be able to give parents further information about this.

We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
