

Compliance action taken for childcare provision

Ref: 2567271/5235386

Date: 13 October 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 07 October 2022, the provider notified us of an incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 12 October 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

We found that the provider had improved their knowledge and understanding to ensure that they have effective systems in place to make sure any adult working with children are suitable. In particular, that a full job history is checked and that references are obtained from the last employer before employment. In addition, we found that the provider had improved their understanding to ensure new staff are inducted swiftly so that they understand their roles and responsibilities before working with the children.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
