

## **Complaint about childcare provision**

Ref: EY422778/5184733

Date: 14 October 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 June 2022, we received concerns that the provider was not meeting some of these requirements.

On 12 September 2022, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 30 September 2022:

- make sure that hot water is consistently available, in order for staff and children to follow hygienic hand washing procedures
- ensure fresh drinking water is available and accessible to children at all times
- provide all children with outdoor activities on a daily basis to promote their well-being.

We will monitor the provider's response to ensure the actions are successfully completed.
