

Complaint about childcare provision

Ref: 133606/5259590

Date: 20 October 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 September 2022 we received concerns that the provider was not meeting some of these requirements. On the 20 September 2022 the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant events. On 20 October 2022, we carried out a regulatory telephone event. We found the provider had taken action following an incident. This included implementing appropriate strategies and procedures, to meet the needs of the children. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
