

## **Compliance action taken for childcare provision**

Ref: EY302318/4909380

Date: 20 April 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 September 2021, the provider notified us of a significant event.

On 15 November 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. The provider had failed to notify Ofsted of a significant event within the required timescales, which is a requirement of their registration.

We have issued actions for the provider to take.

Action needed by 31 March 2022:

- ensure Ofsted is supplied with information to enable suitability checks to be completed.

The provider did not provide the information to Ofsted by the due date for the action. We have served another welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 20 May 2022:

- ensure Ofsted is supplied with information to enable suitability checks to be completed.

The provider resigned their registration on 21 October 2022.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
