

## **Complaint about childcare provision**

Ref: EY481784/5272177

Date: 27 October 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 October 2022, we received concerns that the provider was not meeting some of these requirements. On 13 October 2022, we carried out a regulatory telephone call. We followed this up with a regulatory visit on 27 October 2022. We found that the provider had taken action to meet requirements. They had reviewed and improved the risk assessments to ensure children's safety at all times. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
