

## **Compliance action taken for childcare provision**

Ref: EY309106/5266746

Date: 28 October 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 September 2022, we carried out an inspection and found the provider was not meeting some of these requirements.

The overall effectiveness of the provision was judged to be inadequate. The inspection report sets out the actions the provider was required to take to meet the requirements.

On 26 October 2022, we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions raised at their last inspection.

We found that the provider had taken action to improve staff knowledge and understanding of child protection procedures and risk assessments. The provider has improved how staff are deployed.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.
