

Compliance action taken for childcare provision

Ref: 2629994/5257049

Date: 31 October 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 September 2022 and 18 October 2022, the provider notified us of significant events. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant events that may affect the suitability of adults caring for children.

In addition, on 28 September 2022, we received a separate concern that the provider was not meeting some of these requirements.

On 24 October 2002, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. Appropriate action had been taken following an allegation made about a safeguarding matter. Staff have received further training following an incident of children not being supervised appropriately during transition times. The manager has taken appropriate action following a pest infestation and instructed a pest control company to eradicate the infestation and monitor this regularly.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
