

## **Compliance action taken for childcare provision**

Ref: EY482395/5256217

Date: 17 October 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 September 2022, the provider notified us about a safeguarding matter. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage.

On 13 October 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 31 October 2022:

- ensure that the management team understands and implements safeguarding policy and procedures that are in line with the Local Safeguarding Partners (LSP), in particular the correct procedures to follow when an allegation is made against a member of staff.

We reviewed the provider's response and found that the management team improved their understanding of safeguarding policy and procedures in line with the LSP. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
