

Complaint about childcare provision

Ref: EY294876/5274268

Date: 9 November 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 October 2022, we received concerns that the provider was not meeting some of these requirements. On 7 October 2022, the provider notified us that a concern had been raised about staff practice and children's welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of an allegation being made.

On 4 November 2022 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has trained all staff on behaviour management procedures.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
