

Compliance action taken for childcare provision

Ref: EY299318/5270100

Date: 3 November 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 04 October 2022, we received concerns that the provider was not meeting some of these requirements.

On 01 November 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 16 November 2022: ensure assistants and household members are aware of their responsibility to disclose any events which may bring into question their suitability and implement a process that allows you to regularly check their ongoing suitability.

On 15 November 2022, the provider responded to the action set. We found that the provider had put in place appropriate procedures to ensure assistants and household members are aware of their responsibility to disclose information about their suitability and to allow the provider to check this on an ongoing basis. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
