

## **Complaint about childcare provision**

Ref: EY550222/5285750

Date: 27 November 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 November 2022, we carried out regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has ensured all staff have received training so that they are confidently able to follow the policies and procedures, including if they have any concerns about the suitability of other staff members.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

The provider is still registered with Ofsted.
