

## **Compliance action taken for childcare provision**

Ref: 122620/5262095

Date: 25 October 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 September 2022 and 12 October 2022, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage.

On 24 October 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

They have made changes to the designated leads for the setting and have updated staff training on safeguarding procedures, including allegations against staff.

During the regulatory telephone call we also found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

- ensure staff understand and effectively implement the risk assessments for pick-up time and that the premises are kept secure at all times
- deploy staff effectively to ensure children are adequately supervised and safe, particularly at pick-up times.

On 15 November 2022 the provider responded to the actions set. We found that the provider had updated the risk assessment for pick up times including the arrangements of how staff are deployed at these times to ensure children are appropriately supervised.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
