

Compliance action taken for childcare provision

Ref: 2576625/5250534

Date: 11 November 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 September 2022, 13 October 2022 and 24 October 2022, we received concerns that the provider was not meeting the requirements.

On 7 November 2022, we carried out an unannounced regulatory visit. We found the provider was not meeting one of the requirements. We served a welfare requirements notice on 8 November 2022. This is a legal notice that requires the provider to take the actions below within the timescales set out.

Actions needed by 23 November 2022:

- ensure children are always adequately supervised when eating.

On 28th November 2022, we carried out an unannounced regulatory visit. We found that the provider had improved their knowledge and understanding of adequately supervising children when eating.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
