

## **Compliance action taken for childcare provision**

Ref: EY290559/5317252

Date: 7 December 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 November 2022, we received concerns that the provider was not meeting some of these requirements.

On 5 December 2022, we carried out a regulatory visit. We found the provider was not meeting some of the requirements.

We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Actions needed by 13 December 2022

- ensure the premises toys and resources are clean and suitable for the purposes of childcare
- ensure that facilities are suitable for the hygienic preparation of food for children in accordance with guidelines of relevant agencies such as Food Standards Agency and Environmental Health
- ensure all staff receive training to understand the safeguarding policy and procedures and that all staff have up to date knowledge of safeguarding issues. This includes the 'Prevent duty guidance for England and Wales' and the local safeguarding partners procedures in the event of an allegation being made against a member of staff
- improve risk assessment practices to identify any possible hazards to children's health and safety
- improve monitoring of staff practice.

We will monitor the provider's response to ensure the actions are successfully completed.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
