

Compliance action taken for childcare provision

Ref: EY394603/5315916

Date: 16 December 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 November 2022, the provider made a notification to Ofsted. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 9 December 2022, we carried out a regulatory telephone call. We found that the provider was not meeting some of the requirements and had taken action to put this right. The provider has demonstrated how they will ensure they now meet the requirements. Staff have undertaken additional training on staff deployment and supervision. The provider has introduced a key worker buddy system so that each member of staff knows who they are directly responsible for during the day.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
