

Compliance action taken for childcare provision

Ref: 2676747/5311429

Date: 3 January 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 November and 1 December 2022, the provider notified us of incidents relating to children's safety and welfare. The notifications mean that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant event which is likely to affect the suitability of a person who is in regular contact with children on the premises where childcare is provided.

On 8 December 2022, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted. Actions needed by 6 January 2023:

- ensure staffing arrangements meet all children's needs and ensure children are supervised and monitored more closely during their play to support their safety
- develop systems to support children to manage their own feelings and behaviour to ensure all children are safe.

The provider has since confirmed that the actions have been successfully completed.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
