

Compliance action taken for childcare provision

Ref: EY544663/5336688

Date: 5 January 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 December 2022, the manager notified us of an incident that had happened in the setting, where a child had been left alone in a classroom. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event.

On 03 January 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. Following the incident, a risk assessment has been put in place to ensure that all children are accounted for at all times. A poster has been put up on the door to the children's toilets to remind staff to check for children before closing rooms off.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
