

Complaint about childcare provision

Ref: EY340790/5300803

Date: 12 January 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 November 2022, we received concerns that the provider was not meeting some of these requirements.

On 5 November 2022, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with, children on the premises to look after children.

On 4 January 2023, we carried out a regulatory telephone call. We found the provider had not been meeting some of the requirements, but had taken action to put this right through their own internal procedures to ensure that children are effectively supervised at all times. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
