

Complaint about childcare provision

Ref: EY496918/5326398

Date: 25 January 2023

Summary of outcome

'All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7th December 2022, we received concerns that the provider was not meeting some of these requirements. On 23 January 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant events. However, the provider now understands the importance to do so. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
