

Complaint about childcare provision

Ref: 2577494/5351733

Date: 25 January 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 January 2023, we received concerns that the provider was not meeting some of these requirements. The provider will be able to give parents further information about this.

On 25 January 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has introduced training for staff. Parents now receive more accurate verbal and written information regarding injuries their children receive at the nursery.

The provider is still registered with Ofsted.
