

## **Compliance action taken for childcare provision**

Ref: EY535786/5263353

Date: 3 February 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 May 2022, 26 September 2022 and the 24 November 2022, the provider notified us of concerns relating to staff conduct. They also notified us of the steps they had taken in response to these concerns. These notifications mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with, children on the premises.

On 27 January 2023, we carried out a regulatory telephone call. We found that on each occasion the provider had liaised with other agencies and implemented safeguarding procedures as appropriate. We found that the provider had identified areas where requirements had not been met, and that the provider had taken action to put this right. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be
