

Compliance action taken for childcare provision

Ref: EY539415/5354191

Date: 3 February 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 January 2023, the provider notified us that there had been an incident where staff had not ensured that children were supervised effectively when re-entering the building from the outside area. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 1 February 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider will be able to give parents further information about this.

The provider has taken steps to improve procedures when children are moving from outside to inside. They also reviewed their risk assessments and reflected on the deployment of staff to ensure children are adequately supervised at all times to keep them safe.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
