

## **Compliance action taken for childcare provision**

Ref: EY547459/5320414

Date: 9 February 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 December 2022, we received a notification from the provider of a serious incident and of the action taken. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 11 January 2023, we carried out an unannounced regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had reviewed their safeguarding and risk assessment procedures regarding visitors and contractors. Staff had also been trained on how to implement these new procedures.

We are satisfied with the action taken by the provider. The provider notified us that they had taken the decision to close the nursery. The provider has subsequently resigned their registration.

The provider is no longer registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
