

## **Complaint about childcare provision**

Ref: EY543286/5355257

Date: 10 February 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 January 2023, we received concerns that the provider was not meeting some of these requirements.

On 9 February 2023, we carried out a regulatory visit. We found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration, but had taken action to put this right. The provider now understands their responsibility to notify Ofsted.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
