

## **Compliance action taken for childcare provision**

Ref: EY312272/5331757

Date: 20 January 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 December 2022 the provider notified us of a safeguarding incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant event which is likely to affect the suitability of the early years provider.

On 4 and 5 January 2023 we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 24 January 2023:

- ensure that managers have effective oversight of the suitability, monitoring, and performance of all staff.

On 29 January 2023, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of the suitability, monitoring and performance of staff.

The provider will be able to give parents further information about this. The provider is still

registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
