

Compliance action taken for childcare provision

Ref: 2665799/5298803

Date: 16 February 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 November 2022, we received concerns that the provider was not meeting some of these requirements.

On 23 January 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 13 February 2023:

- ensure all staff receive a robust induction and training to help them understand their roles and responsibilities
- ensure the provider notifies Ofsted of a change of manager of the setting within the specified time frame.

On 13 February 2023, the provider responded to the actions set. We found that the provider had reviewed their induction process given to new employees, they also reviewed the roles and responsibilities of all staff to ensure they know what is expected of them. The provider had reviewed support and supervision given to all staff. Also, the provider had improved their knowledge of notifiable events to include reporting a change of manager.

We are satisfied the provider has met the safeguarding and welfare actions raised. The

provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
