

## **Compliance action taken for childcare provision**

Ref: 260840/5377125

Date: 22 February 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 February 2023, the provider notified us of an incident where a child was able to climb over a fence and leave the perimeter of the setting. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 20 and 21 February 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. This is because they have improved the processes for sharing and obtaining relevant information from parents and other settings that children attend, to inform their risk assessment procedures and ensure that children's individual needs are met. They have also made specific changes to the areas of the setting used, and the behaviour management policy to further minimise risks. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
