

Compliance action taken for childcare provision

Ref: 2566024/5333441

Date: 23 February 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 December 2022, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted. On 25 January 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 22 February 2023:

ensure all staff receive training to ensure they understand the setting's safeguarding policy and procedures

ensure information is shared with parents in a timely manner to ensure the needs of the children are met.

On 23 February 2023, the provider responded to the actions set. We found that the provider had ensured all staff have received training to ensure they understand the setting's safeguarding policy and procedures. The provider had reviewed their procedures in relation to sharing information with parents to ensure information is shared with parents in a timely manner.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
