

## **Compliance action taken for childcare provision**

Ref: EY447666/5356076

Date: 9 February 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 January 2023, we received a notification from the provider about a significant event. On 23 January 2023, we received a further notification from the provider about a second significant event.

On 3 February 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 3 March 2023:

- ensure staff are deployed effectively to supervise children closely at all times, to meet their needs and keep them safe.

On 1 March 2023 we received information from the provider detailing steps they had taken to meet the action.

This showed that the provider had met the action. We found that the provider had improved their management of staff deployment to meet children's needs and keep them safe.

We are satisfied the provider has met the safeguarding and welfare actions raised.

This provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
