

Complaint about childcare provision

Ref: EY475114/5371591

Date: 16 February 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 February 2023, we received concerns that the provider was not meeting some of these requirements. On 14 February 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 1 March 2023:

- ensure the premises and equipment are clean and well maintained so that they are always safe and suitable.

On 1 March 2023, the provider responded to the action set. We found that the provider had improved their procedures for cleaning outdoor equipment and addressed required repairs to the toilets and outdoor flooring. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.
