

Compliance action taken for childcare provision

Ref: EY361923/5385314

Date: 2 March 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 February 2023, the provider notified us of a significant incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 2 March 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has taken action to ensure that children attending the settings are adequately supervised and accounted for at all times. In addition, they have contacted all managers, across the whole company, to ensure that all staff robustly implement the policy and procedures for ensuring the safety, supervision and accountability of children when moving from one area of the nursery to another. Staff have refreshed their knowledge of the supervision and lost child policy and visual prompts have been introduced to ensure that staff follow these procedures in full.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
