

Compliance action taken for childcare provision

Ref: 2693011/5326612

Date: 3 March 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6th December 2022, we received concerns that the provider was not meeting some of these requirements.

On 16th January 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out.

Actions needed by 17th February 2023:

- ensure arrangements for induction and staff supervision are effective in providing support, coaching, and training
- take action to ensure all staff understand the setting safeguarding policy and procedures, and have up to date knowledge of safeguarding issues, including how to respond to any child protection concerns in an appropriate and timely manner.

On 23rd February 2023, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of child protection procedures and have implemented effective staff supervision. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
