All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to we received concerns that the provider was not meeting some of these requirements relating to risk assessment, outings and safeguarding. ensure they put matters right.

On 22 February 2023, the provider notified us of a significant event relating to the supervision of children. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events relating to safety of children.

On 22 February 2023 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider took immediate action and conducted a detailed review of her procedure for the safe collection of children.
