

Compliance action taken for childcare provision

Ref: EY429884/5388108

Date: 22 March 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 February 2023, the provider notified us about unknown accidental injuries to a child. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 15 March 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 29 March 2023,

- ensure staff robustly implement the procedures for risk assessment to identify and remove all potential risks to children
- implement robust induction procedures and monitoring of staffs' practice to ensure all staff are aware of their individual roles and responsibilities.

We will monitor the provider's response to ensure the action/s is/are successfully completed.

On 22 March 23, the provider responded to the actions set. We found that the provider had taken steps to re-train staff with regards to implementing the settings risk assessment procedures. In addition, they have reviewed their induction procedures to make these more effective and have implemented more robust systems for the monitoring of staffs' practice.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
