

Compliance action taken for childcare provision

Ref: 307279/5388177

Date: 20 March 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 March 2023, the provider notified us of a significant event which is likely to affect the suitability of the early years provider. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 16 March 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 6 April 2023:

- ensure you hold a full and current paediatric first-aid certificate and this is available to view on request.

We will monitor the provider's response to ensure the action is successfully completed.

On 23 March 2023, the provider responded to the action set. We found that the provider had obtained a full and current paediatric first-aid certificate.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
