

## **Compliance action taken for childcare provision**

Ref: EY493086/5287801

Date: 5 April 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 October 2022, the provider notified us of a significant event. However, the notification was not made within the required timescale. The delayed notification means that the provider did not meet their legal responsibility as set out in the Statutory framework for the early years foundation stage.

On 28 March 2023 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We issued actions for the provider to take. The provider will be able to give parents further information about this.

On 5 April 2023, the provider responded to the actions set. We found the provider had taken appropriate action in relation safeguarding matters. For example, they know of which agencies to inform regarding staff suitability, and the requirement for notification of significant information to Ofsted within the required timescales.

We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
