

Complaint about childcare provision

Ref: EY548740/5420037

Date: 21 April 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 April 2023 we received concerns that the provider was not meeting some of these requirements. On 20 April 2023 we carried out two regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken immediate action to put this right. The provider strengthened the procedures for supporting children with specific health needs and the procedures for communication with parents.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
