

Compliance action taken for childcare provision

Ref: EY259723/5417316

Date: 25 April 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 April 2023, the provider notified us of a parental complaint about an injury to a child. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 17 and 18 April 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

Actions needed by 26 April 2023:

- ensure that other tasks which staff complete do not impact on their ability to appropriately supervise children, including during meal times, to ensure their safety

- implement effective risk assessments and ensure all staff are fully aware of these and follow them to minimise hazards and to ensure children are kept safe at all times.

On 25 April 2023, the provider responded to the actions set. We found that the provider had taken action to ensure that staff understand their responsibilities to appropriately supervise children at all times, and that they understand and follow the settings risk

assessment procedures. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
