

## **Complaint about childcare provision**

Ref: EY538029/5425047

Date: 25 April 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 April and 24 April 2023, we received concerns that the provider was not meeting some of these requirements.

On 25 April 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has ensured that all staff have undertaken updated safeguarding training to help ensure that they can identify when a child's welfare might be at risk and that they follow the correct reporting procedures. The provider has also updated their processes for recording CCTV images and photographs of children to ensure children are kept safe.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
