

Compliance action taken for childcare provision

Ref: EY445935/5417311

Date: 26 April 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 April 2023, the provider notified us about a child sustaining an injury at the setting. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any serious injury to, any child while in their care, and of the action taken.

On 14 April 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 2 May 2023:

- ensure safeguarding policies and procedures are implemented effectively to safeguard children, these should be in line with the guidance and procedures of the relevant local safeguarding partners (LSP), in particular in the event of an allegation, or a child being harmed at the setting
- ensure there are effective procedures in place to respond and seek medical advice in a timely way, when you suspect a child may have sustained a serious injury at the setting
- ensure children's behaviour is managed positively and in an appropriate way.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
