

Compliance action taken for childcare provision

Ref: 122552/5419955

Date: 26 April 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 April 2023, when carrying out suitability checks, we found that the provider was not meeting some of these requirements.

On 26 April 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and issued actions for the provider to take. The provider will be able to give parents further information about this.

Action needed by 03/05/2023:

- develop a secure knowledge and understanding of disqualification and what offences can make an individual disqualified
- implement a robust recruitment and vetting procedure to ensure that all adults, who work on the premises on which the childcare is provided, are suitable.

On 2 May 2023, the provider responded to the actions set. We found that the provider has thoroughly reviewed the recruitment process and ensured that all senior staff involved in recruitment have a clearer understanding of disqualification. We are satisfied that the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
