

## **Compliance action taken for childcare provision**

Ref: EY317547/5442189

Date: 25 May 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 March 2023 and 15 May 2023 the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events relating to safeguarding and children's health and safety.

On 19 May 2023 and 22 May 2023, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken immediate action to put this right. The provider worked collaboratively with other safeguarding agencies and ensured staff receive ongoing training and support. Having reviewed the procedures to support children with specific health needs the provider introduced several measures. The provider revised the arrangements for mealtimes to ensure clear labelling of resources and took steps to ensure staff understand their roles and expectations throughout the day.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
